## Celebrate 5

**Fort Lauderdale, FL** – June 2010 marked the 5 Year Anniversary for YELLOW DOG Recruiting. The YELLOW DOG team recently celebrated its success connecting people with opportunity at a local beach cleanup event.

“The team came together to give back. At YELLOW DOG, we pay it forward. With each candidate, we celebrate individual talent. That’s the factor that distinguishes one candidate from another, and is often a major component of a successful match between candidate and company” noted David Rose, Vice President – Recruiting.

“And, we’re fans of the concepts we recruit for” added YELLOW DOG’s Managing Partner, Scott Rosenberg. “We study the industry. We patronize and promote the companies we work with. We sell opportunity, and we have to be able to get behind the opportunity we’re presenting because we put our integrity on the line. We don’t inundate our clients with resumes, just a select few great candidates.”

YELLOW DOG Recruiting was founded with the desire to establish and build great relationships. A dynamic team works closely under the leadership of Scott and David. Both have extensive, internal corporate recruitment experience. That knowledge helps them understand daily challenges and allows the flexibility to meet needs.
